PROJECTS

learn.redwoodjs.com (Javascript/Docusaurus/Crowdin) [website](#) / [code](#)

Built and now maintain multilingual, open source tutorial docs site for full stack framework RedwoodJS. Lead and maintain localization and internationalization.

The Power of Vegetables (React/Gatsby) [website](#) / [code](#)

Multilingual marketing site to promote my self-published children's book.

NY Sock Exchange (React/Apollo/GraphQL/Next.js) [website](#) / [code](#)

Mock e-commerce site for buying and selling socks.

inCORPUS website (React/Gatsby) [website](#) / [code](#) (private - on request)

B2B marketing site for athletic tech company. Client project with partner.

TRAINING

LE WAGON FULL STACK CODING BOOTCAMP

Oct - Dec 2019 | Montreal, Canada

Nine week intensive practice in Ruby on Rails, JS, HTML, CSS, SQL, Git/GitHub, Heroku, Figma, product design and pitching. Built two MVP apps in team of four.

WORK EXPERIENCE

STUDENT COMMUNITY MANAGER

POSTMAN | Apr 2021 - present | Remote

Own a program for delivering project-based API curriculum to students and university classrooms around the world. Design and deliver instructional content about APIs in Postman, deliver API workshops and livestreams. Build APIs for lesson content. Help organize virtual Postman Student Summit attended by over 6,000 live. Automate internal process for issuing training certificates to thousands of students, using APIs and custom built servers.

SOFTWARE DEVELOPER

MINTBEAN.IO | Jul 2020 - Apr 2021 | Remote

Built a hackathon and events platform from scratch (NodeJS, GraphQL, React, Typescript) on small team. Owned and built unique features like forkable kanbans, led code review and onboarded new developers. Added CI/CD, supported devops. Built social media analysis API for a client with under parent company Zero Projects.

INTERNAL TRANSLATOR, JP SELLER SUPPORT

AMAZON JAPAN | Aug 2016 - Nov 2018 | Sapporo, Japan

Internal translation and interpreting for management and operations. Managed development of internally crowdsourced multilingual phrase dictionary tool to help Japanese associates assist English speaking sellers in Japan. (SharePoint/ VBA/PHP). JP program manager for international employee exchange program.

COORDINATOR FOR INTERNATIONAL RELATIONS

CITY OF SAPPORO | Aug 2013 - Aug 2016 | Sapporo, Japan

Translation/interpreting for mayor and city officials. Public speaking. Built JavaScript application to automate translation of city addresses from Japanese to English.
